

Willow Burn Day Services

Helping you to live well

Who we are and what we do

The Willow Burn Day Service focuses on self-care, wellbeing and condition management in a friendly group setting, to enable people living with a life-limiting condition to live well at home. The service is operated from the Sir Tom Cowie Health and Wellbeing Centre, purpose-built to provide a warm friendly environment for social interaction, designated rooms for treatments and therapies, and access to beautiful gardens with views across Derwentside.

Tuesday - Carer Support Services

On the last Tuesday of each month, between 1pm and 3.30pm, we also offer a monthly drop-in service where carers can meet in our café and access complementary therapies and their loved one(s), if needed, can be cared for within Day Care. No referral or booking needed.

Lunch and refreshments are included.

Complementary Therapy at Willow Burn

At Willow Burn Hospice we have a dedicated Complementary Therapy Service to deliver therapies to patients and their carers to enhance and develop the treatment experience for patients. Complementary therapies help to ease depression, anxiety and stress, all conditions which are associated with living with a life limiting illness, as well as improving quality of life and increasing feelings of wellbeing.

How do I get a referral for Day Services at Willow Burn?

It is very easy to refer to us. You can access the Willow Burn day services through a referral from any healthcare professional. No referral is needed for Tuesdays but you will need a referral for the Thursday and Friday groups, where you will be assessed to agree which is the best group to meet your needs.

If you are a healthcare professional and would like to make a referral, you can find the form online:

Is there a cost?

Our Day Services are free of charge as they are paid for by a combination of ICB and grant funding, as well as charitable donations from the community.

Are refreshments available?

Refreshments will be served free of charge during half-day and full-day sessions. There is a suggested donation of £3 towards the lunches served on full-day sessions. The Willows Café is also onsite at Willow Burn and at each session there is the opportunity to order light snacks to take home with you.

Is there any transport?

You will need to arrange your own transport to get to Willow Burn. We have a large car park and accessible parking for drop-offs and pick-ups.
